BestPack
the total packaging solution

B150

BestPack™ Stretch Wrapper
Semi-automatic pallet wrapping machine

For growing operations who need an affordable solution for wrapping pallets, the BestPack™ B150 is one of our most economic models, an essential stretch wrapper that provides performance and reliability at a breakthrough price. The BestPack™ B150 sets itself apart from its competitors with its high production speed, heavy-duty construction, and ease of use.

CBM Systems BestPack™ Stretch Wrapper

See what the B150 can do for you!

1. Increase film utilization up to 50% for instant cost savings.

2. Shorten wrapping cycle time to as little as 1½ to 2 minutes.[1]

3. Upgrade from hand-wrap to machine film to get all the benefits!

Plug and play–Start wrapping right away

Affix film to your pallet—then press start. In many cases, operators won't even need to adjust wrap settings between loads.

Improve load integrity and reduce shipping damage

Consistent performance and excellent load stability during transport keeps your load tightly secured more effectively than hand-wrapping.

Lower overall cost per load

Get the job done faster and waste less stretch wrap when switching to a BestPack™ stretch wrapper.

Tilt-Down Tower	Standard

Machine Footprint

89"
59"

Make wrapping as easy as 1... 2... 3...!

Set down your pallet, hit start, and get wrapping!

- Detect your pallet load's height automatically.

- Reinforce the top and bottom of your load with extra wraps (combined setting 1-3).

- Pre-stretch film up to 150%.

- Low maintenance...heavy-duty frame and roller support system.

Specifications subject to change without notice.
[1] Wrap speeds may vary depending on load configuration.

Options to improve performance

Integrated Scale
Weigh your loads directly on the B150 turntable. Verify shipping charges and protect against inventory shrinkage.

Loading Ramp
Load your machine with a pallet jack using the made-to-fit loading ramp.

Wrap Height Extension
Wrap tall loads with an extended wrap height column (16" increments) to accommodate your needs.
